

## LA GRANGE MIDDLE SCHOOL MANDATORY TUTORING PROGRAM

### PURPOSE

The purpose of the mandatory tutorial program is to coordinate the best efforts of our parents, teachers, and students so that each child will succeed in school.

### COMMUNICATION

Students in the program will receive a “Homework/Tutorial Folder” with his or her tutoring schedule and other organizational forms. This folder is designed to help students keep track of tutorial work, school assignments, homework, and special dates. PARENTS should expect their child to bring this folder back and forth between home and school each day. Please take time to look through this folder with your child every day.

### TIMES

Tutoring times are Monday-Friday 7:45-8:10 AM and 3:45-4:15 PM. Students will be assigned times according to their academic needs.

### TRANSPORTATION

Non-bus riding students assigned AM tutorials must be at school no later than 7:45 AM. Non-bus riding students assigned PM tutorials must be picked up at 4:15 PM. Your child's academic success depends on your transportation support.

### BREAKFAST SNACKS

Students assigned an AM tutorials may pre-order a “boxed breakfast” to eat during the tutoring session. *Breakfasts will be charged to the students existing meal plan, whether free, reduced, or regularly priced.* Students who preorder, but who cannot attend an AM tutoring, must cancel the breakfast before 7:30 AM or their card will be “charged.” We encourage parents to consider supplying breakfast at home to maximize tutoring time.

Students assigned a PM tutorial may bring a healthy snack.

### OTHER ASPECTS

1. Students will not be allowed locker access during the tutoring time. This will help to ensure a quiet learning environment.
2. Non-bus riders who arrive late to their morning tutoring session will require a parent-written excuse to avoid disciplinary consequences. Bus riders may also receive tardies if they do not move quickly to tutoring.
3. Students may be excused from the program through a parent conference or by sufficient improvement in their six-week performance.
4. Students, not assigned AM tutorials, will assemble in the gym or auditorium until 8:10 AM.

If you or your child, have any questions concerning this program, please feel free to contact me here at the middle school at (979) 968-4747.

Sincerely,

Neal F. Miller, Principal  
La Grange Middle School

*Your commitment to our tutoring program will be vital your child's success.*
