DUE FRIDAYS!!!!

YOU HAVE TWO WAYS TO SUBMIT THIS ASSIGNMENT. CHOOSE THE METHOD THAT BEST MEETS YOUR NEEDS.

PAPER: Record the number of minutes you practice each day in the boxes above. The number printed in the box is the date for that day. Thursday evening, total up the number of minutes practiced that week. **Have your parents sign and turn it in by the due date. Practice records not signed will receive a reduced grade.**

SMARTMUSIC: You have a practice record assignment in SmartMusic. Each time you use SmartMusic, be sure to log in. As you practice, SmartMusic automatically records how many minutes you practice. On Friday, select the practice record assignment and click submit. Be sure to submit your assignment on time. You do not need to turn in the paper practice record to submit assignments this way.

GRADES

Each minute is worth one point. One hundred minutes = 100 points. Students with IEP's requiring shortened assignments will have a shorter time requirement.
